Keyword 01

Golf Shoes for Men

Golf shoes for men need to do two jobs at once — hold your footing through the swing and stay comfortable for eighteen holes of walking. SPORT Deals stocks leather-look uppers on spikeless soles that grip wet grass without tearing up the green, in sizing that runs true instead of small like a lot of sport shoes do.

Keyword 02

Mens Golf Shoes

A pair of mens golf shoes shouldn't look out of place once you're back in the clubhouse. The styles on SPORT Deals lean toward a clean sneaker silhouette — white leather with a single accent colour at the heel — so they work as everyday shoes too, instead of sitting in the golf bag between rounds.

Keyword 03

Golf Cap

A golf cap has one real job on a hot afternoon: keep the sun out of your eyes without soaking through by the ninth hole. SPORT Deals carries structured five-panel caps and breathable mesh-back trucker styles from Callaway, each with a curved brim that stays out of the way of your swing.

Keyword 04

Golf Hat

Whether you call it a golf hat or a golf cap, fit matters more than the label. SPORT Deals' range runs from a low-profile white-and-navy trucker to a solid maroon five-panel, so there's a shade to match your kit instead of settling for whatever's left on the pro shop rack.
